Dear Parent/Guardian,

You are now all aware of the latest advice issued by the government regarding Coronavirus. At the moment schools are to remain open and learning is to continue to take place at our school. However we are also taking the necessary steps to be prepared in case of a school closure. Please rest assured that we will do our best to ensure that learning continues to take place at home. We have currently set up your child on study ladder which is a free online learning platform. On the back of this letter there is more information about this learning platform. Your child has been given a username and password. They can log onto study ladder in the usual school time of 8.30am-4.30pm. In this time pupils will have been set tasks that they can complete. Their class teacher will be checking that pupils are completing these tasks on a regular basis and issuing more tasks when necessary. If your child completes all the tasks and wants more tasks they can access more tasks. We are also sending out information to show you how to set up parent accounts at home so you can set work for your child. This is all free. The website is <https://www.studyladder.co.uk/>

If your child does not have access to a computer, please do not worry as individual learning packs will be made for anyone that can not access a computer. Please contact school to let us know if this is required.

Pupils will also be able to access their usual learning platforms and websites such as:

1. <https://ttrockstars.com/>
2. <https://www.spellingshed.com/en-gb>
3. <https://www.prodigygame.com/>
4. <https://www.spag.com/>

Dear Parent/Guardian,

This is a courtesy letter to inform you that your child's class is now using a free version of Studyladder, an online educational program which allows students to learn at their own pace.

About Studyladder

Studyladder is a web based educational program designed by teachers. The program is curriculum based and covers Mathematics, Literacy as well as other subjects. Your child has been given a username and password which can be used to access Studyladder.

Recovering previous points and rewards

If your child had a previous account, use the following steps to recover their past rewards and points:

1. Log in to their NEW school account
2. Click on the MENU option
3. Select RECOVER POINTS and enter the OLD username/password

All of their past rewards will be recovered. This will also upgrade their new account if the previous account had premium paid access.

Using Studyladder

It is not compulsory for your child to use Studyladder at home, however regular access will help them reinforce what they have been taught in school. It will also help to build their confidence through practice.

Safe Internet Usage

Your child will NOT be able to chat with anyone using Studyladder. However, we still encourage you to supervise your child at all times when using the internet.

Using Studyladder from home

Simply go to www.studyladder.co.uk and login using your child's school username and password. The free version allows students to access 3 activities per day from home (it is optional for parents to upgrade if they wish to give their child unlimited home access). As a parent you can join Studyladder for free if you wish to monitor your child's progress .

If you have any questions please contact your child's teacher or email support@studyladder.co.uk
