

5th October 2018

Dear Parents and Carers,

**HACK Oldham**

Thank you to Kieran Wilkinson from HACK Oldham who came to visit the children this week in Wednesday assembly to promote activities that are available. The main activities that are available are Junior Code Up, Junior Photoholics and Minecraft Club. They are also running Halloween workshops on coding and other exciting themes over the half term holiday. More information can be found at:

<https://hackoldham.com/>

**PCSO (Police Community Support Officer)**

Thank you also to Rebecca Wright our school's PCSO who visited all year groups about how children can keep themselves safe. She would like parents to be aware and be vigilant around the park, especially as it is getting darker. There have been a few robberies, car thefts and muggings in the area.

**Letterjoin**

We are so very proud of how many children (including many boys) are improving their handwriting each week and we are celebrating this in our assemblies. If your child is not practising at home they can easily do this on a tablet. More information is available on the back of this newsletter.

**ATTENDANCE**

Well done to classes 1, 2, 4, 5, 7, 11 and 12 for achieving over 96% attendance last week.

A super well done to Classes 11 and 7 for the highest percentage.

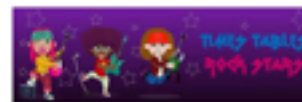

**Mental Health and Well-being**

On Wednesday next week we will be promoting Mental Health and Well-being. Please can all children try and dress in something yellow to mark this important day. Children can bring in up to £1 as we will be selling cakes, starting on Monday, after school to contribute towards resources being purchased in school specifically for this cause.

**Fundraising event**

We are all looking forward to our Funday at the Eastern Pavilion Banqueting Hall on Saturday the 13th of October from 12pm - 4pm. Tickets for tables (including a three course meal) are selling fast so please do call into the office if you wish to join in this community event to raise funds towards a class set of iPads to enhance your child's learning. We now have confirmation that 'The Mayor' and three councillors are attending the event. Fundraising events are to take place at the local Mosques and it is important that we continue to sustain these links. If any parents wish to sell any products and contribute towards the Funday, stalls are still available. Please do call into the office and speak to a member of staff. It should be a very successful COMMUNITY event.

### TT Rock Stars for last week

Place	Winners	Most Improved
1st	Anees Hussain (Class 7)	Hajrah Farooq (Class1)
2nd	Hassan Khan (Class 10)	Isa Yasin (Class 3)
