

9th March 2018

Dear Parents and Carers,

FREE ENGLISH CLASSES FOR PARENTS

We are holding English classes for all parents and this begins on Monday the 12th of March at 10am. Please do come and join us.

Science Week

To heighten the importance of science, year 5 are excited to be visiting the Regional Science Centre in Oldham. They will be taking part in hands on practical science experiments. How exciting! If you have a child in year 5 then please do ask them about their science learning.

Punctuality

Thank you to all our parents who always get their children into school on time, this does make an impact on learning and progress. Lack of punctuality affects learning and can affect behaviour. Punctuality is also a key workplace skill which must be learnt at school and kept to. (Please see back of this newsletter for more information)

Final reminder for Data Collection Letters

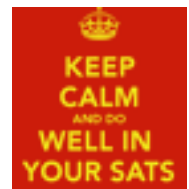

If you have not already please can all parents send in their data collection forms so that we can ensure we have the correct information for your child.

If you do change your mobile number then please do visit the office to update the systems records and you will be sent important school information correctly by text.

MOCK SAT's - Year 6

We wish our year 6 children all the very best of luck in their MOCK SAT's next week. Please can all year 6 children be in the hall for 8.30am. We are able to offer toast and orange juice! Please make sure that if you have a child in year 6 they have lots of rest this weekend and are ready for the challenge. We will inform parents and children of the results the following week.

ATTENDANCE

The snow did impact on our attendance last week but it will improve this week!

DATES FOR NEXT WEEK

- * MOCK SAT week for the year 6 children.
- * Tuesday 13th March Class 9 - Regional Science Centre
- * Friday 16th March Class 7 and 8 - Regional Science Centre

GOOD TIMEKEEPING MATTERS

Did you know that being 15 minutes late each day is the same as missing two weeks of school? *

*over one full academic year

EVERY DAY COUNTS
but every minute is important

LOST MINUTES = LOST LEARNING
