Dear Parents and Carers,

English parent workshop

Thanks to all the parents who took the opportunity to come into school and take away practical advice and resources in supporting their children at home with their English learning. There was demonstrations of our handwriting policy; how to question your child with their reading book; understanding grammar terminology; looking at the standards of writing expected in school; ideas of how your child can practice spellings at home; how to support them learning English and reading books were also sold. A huge thank you to the English team for organising the afternoon.

“Great information on how to help my child with reading and their understanding. Very useful. Thank you!” (Parent comment)

From the above workshop parents were keen to access the information regarding letter join, so please find the details on the back of this newsletter.

Sporting News
