

24th May 2019

Dear Parents and Carers,

Sports Week

A reminder to children and their families that it is Sports Week the first week back after the holidays. Please can the children have their PE kits in school every day and if the weather is hot they can also bring in a sun hat and a water bottle to keep hydrated, suncream can be applied at home in the mornings.

Brainbuilder

Brainbuilder projects have been sent out for over the holidays. It is important that children are still keeping their brains active by continuing to learn. This will also support their learning in the topic they are learning in school. We have had some fantastic projects this year and it is super to see children working on these with members of their family at home.

Congratulations

Many congratulations to our Vice Chair of Governors Cllr Jenny Harrison. She has recently been appointed the Deputy Mayor. All the children and families wish her the very best in her new role. We are privileged to have the Deputy Mayor on our Governing body as she continues to spread a positive impact in the local community and beyond.

SACRE ART COMPETITION - Design the cover for the new RE syllabus

Religious Education is important for all children. The Local Authority is currently designing a new RE curriculum and they wish for our children to design the front cover for the syllabus. We are going to be sending 8 successful entries from our school.

Below are some examples. Please write a paragraph to explain why your design is a winner. Put your name, school and age on the back of your work and hand this in to your child's class teacher.
