

**27th September 2019**

**Dear Parents and Carers,**

### **Waddow Hall**

Year 6 children thoroughly enjoyed their residential trip to Waddow Hall. They enjoyed many fantastic activities such as archery, bushcraft, abseiling, building and climbing crates, escaping locked rooms, many team building games, a campfire with roasted marshmallows and more importantly skills such as resilience and independence.

Mrs Seabright, Miss Begum, Mrs Rahman and Mr Clarke have had lots of fun too and I thank the adults for giving up their time so that this once in a lifetime experience could take place. If parents wish to see any photographs of the fun events then please do join us on twitter:

### **Class Photographs**

A reminder that Monday the 30th of October will be Class Photograph day. Please can we remind all children to wear the correct school uniform. We will be updating the school entrance hall with all the new classes and responsibilities.

### **European Day of Languages**

Today we celebrated European Day of Languages. Many children tried speaking in many different languages. Thanks to our cook for making different foods for the children to eat at lunchtime linked to European day. Homework has been sent out this week so that the children can find out a little more about languages spoken (or written) in their family and/or communities.

### **NSPCC**

Just to let parents know that the NSPCC now have a special area on their website for children under 12 years old. Childline kids allows young children essential access to child friendly advice on a variety of topics including bullying, self esteem and staying safe. The site also has age appropriate games, videos and comic strips, providing a fun, reassuring and safe space for children online.
