

Year 4 Curriculum Overview

Geography

Catalonia

- * Recognise, name and locate at least 8 countries of the world and their major cities.
- * Recognise and understand there are differences between physical and human aspects of regions and each is distinctive (Catalonia)
- * Ask and respond to questions and offer their own ideas
- * Analyse evidence and draw conclusions, eg. make comparisons between locations, pictures and maps
 - * Begin to use atlas maps and globes
 - * Use index and contents pages in atlases
- * name the three seas that surround the UK
- * know the main differences between a place in England and that of a small place in a non-European country (Kenya)
- * use maps and globes to locate the Equator and the Tropics of Cancer and Capricorn

History

Science

Scientific Enquiry

- *I can ask relevant questions and use different types of scientific enquiries to answer them.
- *I can set up practical enquiries, comparative and fair tests.
- *I can make systematic and careful observations and take accurate measurement using standard units, using a range of equipment, including thermometers and data loggers.
- *I can gather, record, classify and present data in a variety of ways to help in answering questions. (Classifying prey and predators)
- *I can record findings using simple scientific language, drawings, labelled diagrams (food chains), keys, bar charts and tables.

Scientific Knowledge

- *I can describe the simple functions of the basic parts of the digestive system in humans.
- *I can identify the different types of teeth in humans and their simple functions.
- *I can construct and interpret a variety of food chains, identifying producers, predators and prey.
