### 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our values reflect our commitment of high expectations of everyone. Children are provided with high quality learning opportunities so that each child attains and achieves to their full potential. Everyone in our school is important and included and treated fairly and with respect. Our ethos of care and trust, is promoted throughout school and every child, family and staff feel that they belong and are valued within our school community. We are committed to improving children's confidence and self-esteem. We know that safe and happy children achieve to the best of their abilities.

*The plan will be made available online on the school website, and paper copies are available upon request.*

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including staff, the children's leadership team, parents and governors.

## 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

### **3. Action plan**

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

The information set out in the column of 'current good practice' are examples to guide your own analysis of your current practice. They are not a thorough representation of good practice, and should be adapted to suit your school's context.

## Appendix 1: Accessibility audit

The table below contains some examples of features you might assess as part of an audit of the school's physical environment. It is not an exhaustive list, and should be adapted to suit your own context.

Feature	Description	Actions to be taken	Person responsible	Date to complete actions by
Number of storeys	Our building is all on one floor however there are some steps and ramps within school.	No action needed.		
Corridor access	The corridors are wide enough for wheel chair access and also for the use of crutches.	Corridors will be kept clear at all times to allow access for wheelchair users and other physical aids such as crutches.	All staff	Ongoing
Lifts	No lifts in school.	No action needed.	N/A	N/A
Parking bays	1 disabled parking bay.	Parking bays were recently re painted. No action needed.	Site Manager	Reviewed yearly
Entrances	The main entrance has double doors. Lowered kirbs are on the pavement areas. There are also ramps at other entry points around school. There is also entry to the back of the school via the back gate.	No action needed		
Ramps	There are 2 ramps in school and ramps around the outside school.	Ramps need to be kept clear at all times to allow access to the building.		

Toilets	1 disabled toilet.	The disabled toilet should be kept vacant ready to be used by a child/person that needs to use it. It should be kept clutter free at all times.	All Staff	Ongoing
Reception area	Double doors, flat and enough room to accommodate a wheel chair.	No action needed		
Internal signage	There are clear signs around school to show disabled toilets and parking as well as emergency exits.	Ensure that signs are clearly visible for everyone to see. Signs should be large enough and not covered by posters or work.	Site Manager	Ongoing
Emergency escape routes	Emergency exits are clearly marked and are regally checked that the route is suitable for all to get out of the building.	A fire practice is completed every term to ensure that children and staff know the quickest route out of the building. The alarm is checked every week.	All staff	Ongoing
