

What have I previously learned?

- Shape, form, model and construct from observation and / or imagination with increasing confidence.
- Plan and develop ideas in sketchbook and make simple choices about media.
- Have an understanding of different adhesives and methods of construction
- Begin to have some thought towards size Simple discussion about aesthetics

Sticky Knowledge

Form

Form is a three dimensional shape. It may be a regular shape, such as a cube or pyramid, or an irregular, organic shape. Form can be expressed in 3D, such as in a sculpture. Artists can also use tone and perspective to create an illusion of form in a 2D artwork.

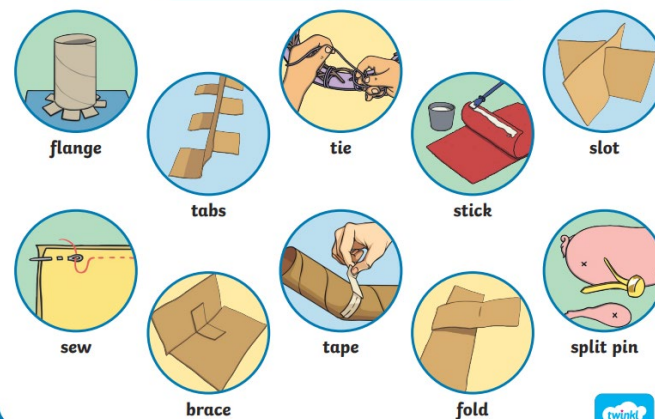

Vocabulary – Goldilocks words

Word	Definition
Structure	An arrangements of parts creating a 3-D form
Malleable	Capable of being adapted, molded or shaped
Rigid	Not pliable or flexible; hard, stiff or unyielding
3-Dimensional	Having the dimension of depth as well as width and height
sculpture	Art created in three dimensions
upcycle	Use waste materials to produce something new.

Prompts to help me in my learning

How Can I Join?

Hold your scissors well.

Keep your thumb up.

Keep the scissors moving, open and shut.

Move the paper, not the scissors.

Hold your paper tightly.
