

What have I previously learned?

I have made annotations on famous artists.

I have used shading when sketching.

I have used recycled, natural and manmade materials to create sculptures.

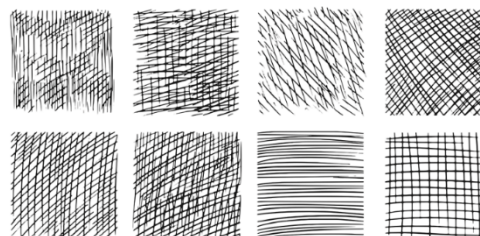

Sticky Knowledge

- Observe patterns in the natural world.
- Observe and draw simple shapes.
- The difference between HB and 2B pencils.
- The use of shadows and light/dark shading in drawings.
- Make initial sketches in preparation for further/other work.
- Understand the concepts of size and proportion.

Vocabulary – Goldilocks words

Word	Definition
Sculpt	to make (something) by carving or molding clay, stone, etc.
Hatching	the drawing of fine lines close together to give an effect of shading.
Cross-hatching	hatching that goes in 2 or more opposite directions.
Sprite	An elf or fairy.
Proportions	the size relationship between two or more elements in an artwork.
Folklore	Folklore is a collection of stories or customs believed by different communities around the world.

Prompts to help me in my learning.

Hatching and cross-hatching
